

The Global Healing Foundation

A
call to all
whose hearts are committed to preventing and ending all forms of
child abuse
and to honoring
the God-given rights of the child.

Please join us in a musical celebration
and meditation
honoring the preciousness of our children, their gifts,
their innate wisdom,
their innocence, their right to live in safety, to evolve and blossom.

Help us raise awareness and
be the light we are
and together,
let's make a difference in their lives.

Featuring:

GEMMA: "We Rise" www.amillionvoicechoir.org,
