SHERYL BLUMENTHAL - Profoundly gifted Spiritual Teacher, Sacred Vessel, Author of "Heaven's Doorway". "This child channels on high through the Universal I AM...Angels walk with her, reminding us that our love can heal all things...As a global teacher, the Light emanating through her vessel assists the processes of the awakening of the man, woman and child who come to sit within the presence of the love that radiates through." - **The Little One**
