The Feminine

~ Join us for a day of Divine Celebration ~

Learn about the feminine energies, attuning to the divine feminine, empowering our feminine nature and other practical, fun, and educational information. Featuring lectures by some of the most empowered and revered professional women in our healing community.

Readers, vendors and fresh nourishment available all day.
June 28 9am-5pm \$45.00

The Enlightened Professional Center

3 Barnard Lane Bloomfield, CT

Featuring

Opening Ceremony - Virginia Anderson

We will gather together in circle to invite in and honor the divine feminine energies for the day. Through movement, sound, breath and journeywork she will make her presence known. Whether young or old, male or female she enfolds us all.

Group Channeling - Sheryl Blumenthal

A spiritual channel with rare abilities, Sheryl will facilitate a channelled message for the audience from the Angelic Council of Elders. Sheryl will be available for private readings by appointment only. Please call ahead to reserve your spot with Sheryl.

Understanding the Different Faces of Anger - Dr. Pat Barry

Anger is a unique emotion that actually contains five different types of anger. Each of these different types of anger has a different effect on your body. Dr. Barry will explain the importance of taking charge of your health by understanding anger.

Mindful Eating, Making Peace With Food - Shoshana Levinson

In this presentation, Shoshana Levinson, M.S., Nutritionist, will explain the reasons why diets don't work, and will offer the fundamental solutions that she has developed over the past 24 years in her integrative nutrition practice.

Pathways to Healing - Naomi Sara Lubin-Alpert, Psy.D., LMFT

Illness and disease happen at a physical, emotional, and spiritual level. Naomi will provide empowering information for healing ourselves from disease and illness on all three levels.

Closing Ceremony - Kerrie O'Connor, Master Intuitive

Kerrie will provide us with an in-depth cosmic perspective of what is presently happening on our planet and then help us "seal" the day with a Divine Feminine Attunement ceremony to set the Divine Feminine Grid and anchor in the positive healing energies of the day.
