

**September 4-9, 2010 Labor Day Weekend
2nd Annual Cruise
5 Days to Bermuda on the Royal Caribbean "Enchantment of the Seas"**

Presented by Susan Duval Seminars and Utopia Travel, we are once again planning a fun-filled Labor Day Cruise, featuring three popular psychics. Last year, 30 of us cruised to Canada and had such a fabulous time, so we're doing it again! **There are 2 full days at sea and 2 full days in Kings Wharf,**

Bermuda, where one of the shore excursions is swimming with the dolphins! Last year, so many great new friendships were made, and we truly had a blast!

Saturday, Sept 4-Departure at 8-9am by private bus from Doylestown and Feasterville to the port in Baltimore. Refreshments will be provided, compliments of Utopia Travel. You'll have plenty of time to get settled in your cabin, enjoy the Bon Voyage Sweet-Lovers Delight gift from Utopia Travel, and have fun exploring the ship. Our group will be seated together for dinner, and our wonderful Guest Psychics will join different tables each night, so that you can get to know them personally.

Sunday, Sept 5-Fun Day at Sea. Get a private reading and attend a seminar given by one of our outstanding psychics, and enjoy the camaraderie of new friends with similar interests from our area. In addition, you'll be able to get luxurious spa services, sit outside by the pool, go to an art auction, visit the duty-free shops, see a first class stage show, try your luck at the casino, go on the rock climbing wall, check out the bungee trampolines, sing karaoke at the piano bar, play mini-golf, take a yoga class, work out at the gym, soak in the whirlpool, get pampered at the hair salon, dine on fabulous gourmet meals in beautiful settings, and dance the night away. There are tons of activities for children and teenagers as well. Bring the family!

Monday, Sept 6-Stay on-board and chill out, or choose one or more shore excursions in charming Kings Wharf. In addition to strolling through the historic streets of St George, you can relax on pink sand beaches and swim in sparkling turquoise waters. Some of the popular shore excursion options are: Sunset Calypso Cruise and Show, Famous Homes and Hideaways,

Catamaran Coral Reef Snorkel Safari, Shopping Excursions to St George and Hamilton, Clear Kayak Adventure, Deep Sea Fishing, Bike and Beach Tour, Belmont Hills Golf Club, Bermuda Scuba Adventure, and the Dolphin Experience. You may register for your excursion when full payment is made or while you're on board.

Tuesday, Sept 7-Another full day to revel in the beauty of Kings Wharf, or to take advantage of a peaceful day on board the ship.

Wednesday, Sept 8-Fun Day at Sea to relax, recuperate, enjoy the amenities of the cruise ship, receive private readings, and get to know your wonderful new friends. A seminar or gallery will be held during the day.

Thursday, Sept 9-arrival in Baltimore around 7am, where our private bus will be waiting for us.
