Please, come join in an extraordinary group channeling with the angels for the unification of our love for our Mother/ our Earth.

"I have had many sessions with Sheryl. Each time I come away with a feeling of peace and love and acceptance. It's not just the words that come through this child, but the experience of being one with the unity of the angelic presences that are there to

assist each person present that is so profound. I can feel changes occurring throughout my being as she is speaking. Her gentle way is so soothing and I never feel judged by her. Many times I understand her reading in a certain way and then days or weeks later, I understand the true meaning of what was channeled. I honestly believe that Sheryl's gift has assisted my life eternally and for this I am forever grateful for her love and insight." (Kathy - New Jersey)

ABOUT THE CHANNEL:

Sheryl is a pure vessel. This heartfelt messenger is divinely guided. Through rare abilities her gifts offer love, healing, peace, and direct guidance through an extremely powerful and transforming unity with the Council of Elders. These angelic presences throughout history, are revered sentient beings of 'the most high' who lovingly assist the transformation of our earth towards her highest ascension. The messages and the light that Sheryl brings forth are direct, vital, and pure. Her inner beauty and light will amaze you.

Sheryl has studied in England, Japan and the US for many years. She serves on a number of panels, including the board of directors for the non-profit Global Healing Foundation. She has also been a program presenter at Columbia University, the UN, retreat centers, churches, fellowships and numerous other arenas. Through years of counseling individuals and working with large groups, this child helps assist individuals in the release of fears and emotional blockages that stem from their cellular origin (DNA). With emotional burdens freed, true inner joy, happiness, health, abundance and vitality return naturally. Wholeness within, lovingly expressed as 'heaven within'... creates transformationally, affecting all of mankind, our entire world and throughout our Universe.

Over the past 17 years, some of our world's most ascended souls have mentored Sheryl. Included are internationally renowned healers, lightworkers, alchemists, friends, spiritual leaders and peacemakers, clairvoyants, indigenous teachers, authors, spiritual filmmakers, gifted sentients, rare channels and hosts of beautiful and loving souls, through the sharing of their hearts. Through the ongoing practical application of Seimei, a rare healing technique from Japan, and its study for many years, as well as the work done at Arthur Findlay College in England, one of the oldest schools in the world for intuitive healing studies and channeling, Sheryl has gained stronger awareness and an even more rare and open vessel. She has been a featured speaker on television and radio programs and within many other forums: yoga studios, holistic practices, wellness centers, churches, retreats and more. For many years, she was an elementary and special needs public school teacher. Sheryl is the author of "Heaven's Doorway" (Through the Little One) and is currently in the process of completing three books and a CD series.
