Group Channeling with Sheryl Blumenthal

Coming to us from NE Pennsylvania, Sheryl is a pure vessel. This heartfelt messenger is divinely guided. Through her rare abilities, she offers her gifts of love, healing, peace, transformation, and direct guidance through an extremely powerful unity with the Council of Elders. These angelic presences are revered sentient beings of “the most high”, who lovingly assist the earth and her inhabitants. The messages that Sheryl brings forth are direct, vital, and pure. Her inner beauty and light will amaze you.

Imagine an evening where like-minded friends gather in community, where each person can receive a personal message from a spiritual guide, and then be supportive of others as they receive their personal message. The messages for the entire group are of benefit to all. This group session is extremely powerful and transforming, as the pure light and channeling for this event is a gift, and based on pure intent.

Sheryl has studied in England, Japan and the USA for many years. She serves on a number of panels, including the Global Healing Foundation. She has also been a presenter at the UN. She assists individuals in the release of fears and emotional blockages that stem from their cellular origin (DNA). When these emotional burdens are freed, true inner joy, happiness, health, abundance and vitality return naturally. This inner wholeness (“heaven within”) affects all of mankind, our entire world, and the Universe.

Through the ongoing practical application of Seimei (a rare healing technique from Japan) and her studies at the Arthur Findlay College in England (a renowned school for intuitive studies and channeling), Sheryl has gained stronger awareness and become an even more rare and open vessel.

Sheryl has been featured on television and radio programs, at the ARE (Edgar Cayce Foundation) in NYC, and is a sold out presenter at holistic centers throughout the East Coast. For many years, she was an elementary and special needs public school teacher. Sheryl is the author of “Heaven’s Doorway” and is currently completing 3 books and a CD series.
