

Events For You - 11.10.08 to 11.16.08

Hi Friends,

The upcoming week is packed with educational and fun events. Please check them out below. Sheryl Blumenthal is coming to do private readings this weekend. Because she is sold-out, she has agreed to join us Sunday morning at the Oneness Blessing to do a group reading. She is an amazing person, please join us if you can.

Last week, the Enlightened Professionals team met to set the strategic directions for the EPICenter for 2009. We are very excited about all the new directions and the fine-tuning of existing programs in place. Much more information to come.

See you soon at the EPICenter!

Fondly,
